

6 AirBnB website design ideas for hosts.

1. Short-term rental website of Mattinson Hosted Homes

A pastel color palette pretty much always works. As does it on the website of Mattinson Hosted Homes. What do people love most about this website? It's the 'air'. It's light, airy, easy to navigate, and answers every FAQ.

OUR PROPERTIES

PRINCE EDWARD COUNTY OAK STREET COTTAGE

This cozy, 3-bedroom home is located in Wellington, a lakeside village in Prince Edward County. The Oak Street Cottage has everything you need to unwind, including a backyard retreat featuring a fire pit, sunset BBQ, and summer picnic tables in the yard. Take a

2. Greek Luxury AirBnB Website Design

Can you Smell the garlic? Hear that Greek music? White beaches and houses, the waves rolling over your feet, the sun on your back. Your imagination will definitely be sparked when looking at the Angelbay Bungalows website. This is AirBnB website design done well.

The **header that scrolls down with you** is a great idea on a website with such 'long' pages.

ANGELBAY BUNGALOWS

Angelbay Bungalows lie on a small hill in front of a sunny beach, making it the perfect destination for a relaxing getaway for the body and mind.

3. Get some rest at this BnB in Haarlem: Studio Koning

Their website easily lures you in and makes you want to hit the “book now” option.

So what's so good about this BnB website design? It'd be the **overall aesthetic**. The rustic color pallet matches the photos of the BnB itself. Well done, guys!

Another good thing about this website is the background info they provide about themselves as the hosts.

Orig

As a potential guest, you want to know who you're staying with when you book an AirBnB or BnB.

4. The BnB Website of LOVAT House

Creative, colorful, and **well structured**. That's how I'd describe the website of LOVAT House. It's easy to find all

LOVAT HOUSE – COMFORTABLE AND SUSTAINABLE STYLE

Welcome to LOVAT HOUSE BED & BREAKFAST, we are in Crieff, Perthshire in the heart of Strathearn, the start of the highlands. Relax in our calm and peaceful guest house and enjoy a great start to your day with our lovely fresh breakfast. We're really looking forward to seeing you.

the answers to the questions you, as a guest, may have. I particularly enjoy the **color scheme** of this gorgeous BnB.

5. Dream away at the Sunset View Lodge

Overlooking Bayllys Beach on the west coast of Northland NZ is where we'll find the Sunset View Lodge. It has everything a good AirBnB website example needs.

1. A clear call to action right on the home page (make a booking)
2. Not too many menu items (6)
3. High-quality pictures
4. An easy to use contact form

All information required to answer a guest's questions is there – and that's it. Not *more*. One mistake many websites make is that they **overdeliver**. They drown their visitors with information. Think about it: when you visit a web page, are you going to read everything that's on that

page? No way. You are probably even scanning this article. So kill your darlings.

Top quality accommodation near Baylys Beach
Weekend getaways, holidays and newlyweds: an ideal escape!
Overlooking Baylys Beach on the west coast of Northland NZ, Sunset View Lodge offers one of the best accommodation experiences in the Kaipara and Dargaville. Named for the stunning views of the Tasman Sea, and the west coast sunsets, the Lodge offers guests a swimming pool, so you can swim laps before relaxing with a cold beverage and a view of the setting sun.

6. The fairytale website of Rookwood Inn

Purple, green, calligraphy, flowers: the Rookwood Inn website makes me feel like I've just stepped into a fairytale. If you are looking for a place to relax, enjoy luxury, and 'read a book with a cup of tea', then you'll be lured in by this design.
